1. Attendance

Present Members:

- Kedibone Nthompe
- Fezeka Ntakumba
- Zamokuhle Nqambule
- Angelique Ntirampeba

Absent (No Apology):

- Live Nonkontwana
- Lungelo Nsingwane

Note: Both absent members are on two consecutive non-attendance streaks without communication.

2. Agenda Items

- Problem definition discussion
- Allocating roles and responsibilities

3. Discussion Summary

3.1 Problem Definition

The group discussed the project problem definition for Term 1.

Members clarified expectations and requirements for the assignment.

Focus was placed on understanding what is required to complete the Term 1 submission successfully.

3.2 Roles and Responsibilities

Roles were not allocated due to absences.

The group decided it was impractical to allocate roles while key members continue missing meetings without communication.

Role allocation is postponed to the next meeting, provided all members attend.

4. Key Concerns

Recurring absenteeism from Live and Lungelo is affecting project progress.

Lack of communication from absent members was noted as unacceptable.

Attendance is essential for understanding tasks and keeping up with submission deadlines.

5. Conclusion

Each member is expected to attend meetings and participate actively.

Consistent attendance is necessary for equal contribution and successful completion of the term submission.

6. Action Items

Task	Responsible Member	Deadline
